Welcome to DunsPlayFest 2022,

On behalf of everyone involved in the festival, I would like to pass on our sincerest thanks for performing at the festival this year!

While it is not under ideal circumstances, we're all very much looking forward to showcasing new Scottish creativity in our spiritual home at Duns Volunteer Hall.

The purpose of this pack is to make sure you have all the information you need for your performance and to detail the technical equipment and resources provided by the festival. Please take your time to read it carefully and make sure you bring up any technical issues no matter how small as soon as possible to allow them to be easily resolved well in advance of the event.

All the best,

Will Derries - Production Manager
